PETITIONING THE COURT

The offender, not having waived a hearing, the probation officer requests that a summons be issued and hearing held to modify the conditions of supervision as follows:

26. You shall not have contact with any child under the age of 18, without the presence of an adult.

CAUSE

The probation officer believes that the action requested above is necessary for the following reasons:

On August 7, 2012 the offender self-disclosed consistent contact with minor aged children while in the community. Specifically, Mr. Johnson accompanies his fiancé to her sister's home where two minor children reside. It is noted that the court did not impose the above-mentioned condition at sentencing on October 11, 2007.

Abraham Johnson was approached about modifying his conditions of supervision in order to limit the potential risk to the community. He adamantly disagreed with the need to impose the aforementioned condition. At that time, the undersigned advised the offender to contact his attorney and discuss the options available without seeking a court appearance before You Honor. On August 9, 2012, Abraham Johnson left a voice mail advising he looked forward to addressing the matter before the court.

The proposed modification is generally imposed by the court when an offender is under supervision for receipt of child pornography. The special condition as noted is considered an integral measure in limiting any possible threat to minors in the community. Mr. Johnson is participating in sexual deviancy counseling and is considered compliant to date.

It is respectfully recommended that the court impose the above-referenced special condition.
